- Skimmer, Needham's
- Skimmer, Roseate

CREW CYPRESS DOME WILDLIFE CHECKLIST

In Cypress Dome, you are a guest in the wildlife's home, so please treat all wildlife with the same amount of respect you would treat any host that was kind enough to invite you in.

name _____

date _____

Each species in this checklist has been observed in Cypress Dome between 2011 and the present by FWC biologists, SFWMD staff, or CREW Trust volunteer naturalists.

Some species are year-round residents; others are only present during certain portions of the year. Some are nocturnal; others are active during the day. There is no guarantee that you will see any of these species, but your chances are best when you are quiet, listen carefully, and move slowly.
